WEEKLY LINEUP TOPIC
Our Values: Quality Throughout

This week's daily lineup topic will have us focus on what it means to deliver a thoroughly satisfying experience for our guests. Our objective should be to achieve complete customer satisfaction, which means so much more than making a sale or fixing a problem. The objective is to create one loyal, happy customer after another.

Check out these 14 ways to complete a hard day’s work at IS!

HAPPY EARTH DAY

From 11am to 3pm MSU Sustainability will host the Earth Day extravaganza at the Rock. From 3pm to 5pm in the Jackson lounge at the Wharton Center, MSU will honor Spartans who have made significant contributions to on campus sustainability. There will also be a bicycle open house from noon to 2pm hosted by the MSU Library Environmental Committee.

BE SPARTAN GREEN!

SOLAR TABLE REDUCES RESIDENTS’ ELECTRICITY USE

This solar table stores solar energy and allows residents to charge electronic devices while using sustainable energy. Not only is the table environmentally friendly but it is also wheelchair accessible, and was made in the United States.

CASUAL COMMUTE DAY

On Friday May 1st take a day off from driving alone to work. You can carpool, take the bus, or ride your bike. Sign up to clean commute at least once during casual commute day and be registered to win one of many prizes.
