**Our Values: Quality Throughout**

This week’s daily lineup topic will have us focus on what it means to deliver a thoroughly satisfying experience for our guests. One way to ensure that you as a team member are delivering outstanding Spartan experiences is to perform routine self-assessments and strength/weakness analyses.

Each year, April 23rd celebrates National Take a Chance Day. On this day, take a chance on your dreams and goals.

“Twenty years from now you will be more disappointed by the things you didn’t do than by the ones you did. So throw off the bowline, sail away from the safe harbor, catch the trade winds in your sails. Explore. Dream. Discover.”
