Finals Week: Dining Hall Operation Hours

Thinking about eating at the dining halls anytime next week? Double check the finals week hours of operation before heading over to ensure the dining hall of your choice will be open! Happy finals week—summer vacation is right around the corner!

The Goo Goo Dolls will be on the road in April for an acoustic tour named “The Otis Midnight Sessions.” These types of shows will be performed in more intimate settings with a story teller format in order to tell their 30 year history. Get your tickets for tonight’s show at the Pasant Theater through the Wharton Center! The show will begin at 7:30pm and they are joined by the LA favorites Run River North.
