DOSE Principle of the Week:
A Mindset of Innovation

Innovative [ɪnəˈveɪtɪv] adj. – new and creative, especially in the way that something is done

Synonyms: groundbreaking, pioneering

How can you use an innovative mindset in your everyday work?

What do I do with empty toner?
Empty toner cartridges should be placed back in their original bag and box with the word “Recycle” on the outside of the box. They can then be placed in the mailroom to be collected by recycling.
