**Commitment to Student & Guest Experience**

“Commitment is a big part of what I am and what I believe. How committed are you to winning? How committed are you to being a good friend? To being trustworthy? To being successful? How committed are you to being a good father, a good teammate, a good role model? There’s that moment every morning when you look in the mirror: Are you committed, or are you not?”

**Swimming for a Cure**

Swimming for a Cure, is a MSU Today documentary that will be featured on The Big Ten Network April 11th at 10pm following the MSU vs. Lansing Lugnuts game. It shows the journey of six women from Michigan who swam the English Channel in effort to raise money for ALS (Amyotrophic lateral sclerosis). They swam for Bob Schoeni, a professor from U of M, who was diagnosed with ALS. Ultimately they wanted to finish the 42 mile swim but also set the world record for the fastest women relay team.
