Check out this link to the MSU Campus Sculpture Tour website! Here you will find a gallery of 16 campus sculptures. Each has multiple pictures, as well as an audio recording about the history and artist.

If you prefer, print out the campus map that has all of the sculptures marked and go on your own self-guided tour around campus!

The MSU Surplus Store currently has apartment unit numbers, letters, and bricks for sale from the recently demolished Cherry Lane Apartments. If interested, click here to go to their webpage for details and pricing.

As of March 30, Michigan State has received 30,055 student applications, which is an all-time high for the university! 67% of the applicants, or about 20,000 students, will eventually be accepted. Click here for the full news article!
