**DOSE Principle of the Week:**

**Quality Throughout**

Providing quality products, services, and guest interactions is the foundation of our success as a division. We rely heavily on our team members to represent the division and university positively and to service our guests.

**What’s on Your Plate?**

The annual *What's on Your Plate?* food waste audit is being conducted today from **11:30am-1:30pm** and **5:00pm-7:00pm** in Brody Square, South Pointe at Case and The Vista at Shaw. Are you eating in one of the dining halls today? Use these *tips to reduce food waste*:

- Check the menu online before you arrive.
- Explore menu options before you fill your plate.
- If you are not sure, ask for the ingredients or for a sample.
- Go trayless at least once per week.

**Shout Out to Angie K!**

Elizabeth Stanton gave a shout out to Angie Kimmel on MyRHS, “Thank you Angie Kimmel for all that you. You do not hesitate to contact me right away or find the person who can assist me. I become more proficient in the systems I am working in each time we talk.”

Kudos to Angie for her wonderful service and dedication! Keep up the great work!
