Be Waste-Free for a Work Day!
Challenge yourself to be green and waste-free for an entire day! Here are a couple of tips to get you started!

- Bring your own lunch with items that are not pre-packaged. Put a sandwich or salad in a reusable container. For side items, pack an apple, peach, or banana. Put chips or crackers in a reusable plastic container, as well!

- Take notes on something other than paper! Keep a document up on your computer with a to-do list or other notes. If you have a whiteboard, take notes on that!
