HOSTMANSHIP

“A world where people feel expected and welcome.” - Jan Gunnarson

Part of DOSE incorporates the idea of anticipating customer needs, and from acclaimed TedX speaker we learn that we shouldn’t focus too much on tactics and strategies but rather have a welcoming mindset with zero judgement, humility, respect and openness. Learn more about the art of making people feel welcome here.

UCS Gratitude Event

University Conference Services will be travelling around campus to give a big thank you to YOU and all the amazing RHS Team members for their hard work this summer in persistently delivering DOSE to thousands of conference guests.
