The Community Volunteers for International Programs (CVIP) at MSU has a Lending Center in Spartan Village that loans used household items to international students and scholars attending Michigan State! If you have items to donate or would like to volunteer, click here for more information!

The food truck is back in business today! Catch it by the rock near the MSU Auditorium from 11 a.m. – 2 p.m. and try their daily special, BBQ pork sweet potato nachos with pulled pork on house-made sweet potato chips, topped with tangy BBQ sauce and a dijon coleslaw.

Follow these tips to stay green while back to school shopping this year:

• Before shopping, check to see if any of your supplies from last year’s trip can be re-used.
• Make a list of the items you need so you don’t buy anything extra or unnecessary.
• Re-useable or re-fillable items like mechanical pencils, lunch boxes, water bottles, book covers, and binders will last for years to come with less waste!
• Check the labels of the items you buy and do your best to purchase supplies made from recycled materials as often you can!

Happy Birthday, Amber Brown!

We hope you have a great day! Be sure to sign her card in the kitchen!
