RHS kicks off the new academic year! RHS team members gathered at the Breslin Center to amp up for another incoming academic year at the annual Fall Kickoff. After lunch was served, Vennie Gore spoke to the crowd and discussed his push toward new goals and identifying what each of us wants to accomplish this year.

Read more about the annual Fall Kickoff here.

FUN FACT MONDAY!

- Today is National Vesuvius Day! In 79 A.D., this was the day that Mount Vesuvius erupted in a huge explosion. It was one of the largest volcanic explosions in recorded history.

- The cheetah is the fastest land mammal, reaching a top speed of 75 MPH

- Kids grow faster in the spring time. There is no scientific reasoning for this, though it is a proven theory. Sunshine + Exercise = Growth!

HAPPY BIRTHDAY JOHN H!

Be sure to wish John H. a very Happy Birthday tomorrow! We hope it’s a great one!

Fill the Bus!

The Outreach Office is partnering with the Center for Service-Learning and Civic Engagement to coordinate this event on behalf of RHS. This is an annual event that shows Spartan Spirit by contributing school supplies to those in need in the greater-Lansing area. Small donations make big impacts! There is a bin located in the IS kitchen and will be picked up after Sep. 3rd. Please help donate to those in need and make this school year brighter for local children and their families.
