**A Motivational Message from Vennie: Open Doors**

Vennie shared some motivational words to RHS members regarding the start to the new school year. He goes on to say, “In RHS, we have the opportunity to set the tone for a student’s Spartan experience by kicking it off with a successful move-in day. There’s something about being surrounded by a new class of students full of bright eyes and high hopes that reinvigorates me.” Let’s all join Vennie by pushing ourselves, enjoying ourselves, and opening new doors for ourselves. As the summer comes to an end, the new school year holds many new beginnings. Keep up the great work IS, and let’s keep it going. Go Green!
