** The Broad Art Museum Welcomes Back Students **

Students, head over to the Broad Art Museum tonight at 7 p.m. for a fun evening! The museum will be open late for all students to enjoy music, refreshments, and a specially crafted drawing activity. [Click here](#) for more details about the event!

** In the Know: Tomatoes **

Although tomatoes are available year-round, they are the sweetest tasting in the late summer and early fall! To speed up the ripening process, place a tomato in a paper bag, or to slow it down, keep it in the door of the refrigerator. Picking up some tomatoes at the organic farm today? Check out [this article](#) from MSU extension for more information and serving suggestions!
