Strengthen stewardship.

**MSU Fun Fact**

Did you know?

MSU’s College of Osteopathic Medicine is North America’s largest user of daily, live interactive videoconferencing in higher education.

**Reminder:**

**CPR Training**

The first CPR Training session is tomorrow from 8 a.m. – 10 a.m. at 134 Akers. Look at your calendar to double check which session you signed up for!

**Happy Work Anniversary, Angie Kimmel!**

We are so happy to have you as a part of our team here at IS! Thank you for all of your hard work, dedication, and time that you put into your job every day!

**Tuesday, August 13**

9:30 a.m. to 4:30 p.m.

This event, which is hosted by MSU and MSU Extension, will start off with the unveiling of the new South Complex Aerobic Digester and will continue throughout the day with presentations and a tour of the university farm. Registration is $20 in advance and includes lunch. To read more about the day and to sign up, click here!
