IS Cooler Cuisine

On Thursday, August 30th, the IS Teambuilders will be hosting their next event to help you keep your cool during the month of August!

To participate, fill your IS cooler to the top with any kind of tasty snack to share with your co-workers in the kitchen! Be creative! You can use anything from individually wrapped desserts to a pile of buttery popcorn! If you do choose an item that is not individually wrapped, please line your cooler with plastic and provide a spoon to scoop the snack into a bowl!!
