**IS Daily D.O.S.E.**

**December 13, 2012**

**DOSE Principle of the Week:**

**Guest Service Philosophy**

**Purpose:**

This is WHY we are in business. As an organization, our focus is on our guests. We must continually strive to exceed our guests’ expectations.

**Practice:**

We must continue to simplify, streamline, and innovate HOW we can deliver service. This includes not only practices that impact our guests, but also practices and processes that impact our team members.

---

Greens grown by students at the MSU Student Organic Farm, beef raised by MSU’s Department of Animal Science on campus as part of the MSU Beef Program, dairy products from the MSU Dairy Store, fresh baked goods from the MSU Bakers are served in residential dining halls, Sparty’s and food truck, Eat at State On-the-Go.

To learn more visit, Eat at State.

---

**Recycle this Holiday Season**

The average American household generates more waste between Thanksgiving and New Year’s Day than at any other time of the year. Click here, to check out the MSU Surplus Store and Recycling Material Recycling Guide to do your part this holiday season.

Just a reminder, even when the university is closed, the public recycling drop-off is open 24/7!

---

**Food Drive Results**

The sixth annual Help Tackle Hunger Food Drive brought in nearly 3,000 pounds of food and personal care items and more than $1,000 in cash donations. RHS and Intercollegiate Athletics would like to thank all who participated and made this possible. To learn more and see how you can continue to donate, click here.
