Look for an Evergreen Day
To many people, only a fresh cut real tree will do for Christmas. The scent of fresh pine helps to capture the feel of the holidays. Nothing looks more real than a real tree, each one with its own character and appearance.

Michigan State Football’s junior defensive tackle, Jerel Worthy, was named First-Team All-American this week by the Associated Press. Worthy led the Spartan defense and the BIG in rushing defense, total defense and sacks. Worthy also produced at least a tackle loss in 8 of the Spartans 13 games this season. Congrats Jerel Worthy!

Happy Birthday Jenny!
