Safe Place Adopt a Family

Next Friday, December 13th is the deadline to bring in your present for the Adopt a Family! There are only a few tags left, and if you’d like to just donate to a larger item instead, you may give your donation to Denise! Please bring your gift wrapped or unwrapped to the Front Desk!

Spartans Help Typhoon Victims

MSU’s student group Generate Help 2 Heal Generations and the Institute of Internation help partnered up and sent medical supplies over to the victims of Typhoon Haiyan last week!

Both organizations worked to obtain donations of unused medications and medical supplies from hospitals, clinics and pharmaceutical companies to help take health initiative for those in need across the world!

Holiday Energy Saving Tips

- Check that all windows are shut and secure to reduce drafts and keep cold air out.
- Close the curtains or lower your blinds to increase insulation! It can reduce heat loss by up to 30%!
- Leave thermostats at the recommended heating setting of 70°.
- Make sure unnecessary electrical appliances are turned off and unplugged to reduce electric waste!
