National Brownie Day
It’s fun and easy to enjoy this special day. First, pick your favorite brownie recipe, and bake a batch of brownies. You can add nuts, if you like. Topping the brownies with chocolate frosting is a good thing, too. Finally, eat them! You can have them for breakfast, lunch, dinner, or as a snack. Don’t forget the milk!

Adopt-A-Family Reminder
There are still some ornaments left on the tree in the kitchen for the Safe Place Adopt-a-Family. If you would like to donate towards one of the larger items, please see Denise. Thank you for all of the contributions so far!
