DOSE Principle of the Week:
“Leadership is a concept we often resist. It seems immodest, even self-aggrandizing, to think of ourselves as leaders. But if it is true that we are part of a community, then leadership is everyone’s vacation, and it can be an evasion to insist that it is not. When we live in the close-knit ecosystem called community, everyone follows and everyone leads.”
- Parker Palmer, Let Your Life Speak
