NEW FILM STUDIES PROGRAM

MSU has recently launched a new bachelor’s degree program in film studies. It will be hosted by the College of Arts and Letters equipping students with the skills and knowledge to be able to give back to their communities culturally and artistically. And interesting article about this new program can be found here.

RECYCLING TIP

By bringing your own coffee mug to work you can conserve paper waste. Start small by reusing the same paper cup all day at the office.

Our Values:
COMMUNICATING WITH THE STABILIZER

This week, we look at another behavior style that is also common to an office. The stabilizer is a natural peacekeeper, who seeks harmony and values personal relationships with their team members. Can you look around your IS team and pick out the stabilizers? Once you find them, try growing your relationship with them!
