DOSE Principle of the Week:
Fiscal Responsibility

Michigan State University was founded on the land-grant ideal that extraordinary potential lies in ordinary individuals. Today, the university continues its commitment to making higher education accessible to qualified students of all economic means.

- Over the last five years, financial aid percentage increases at MSU have exceeded tuition percentage increases on an annual basis by an average of nearly 8 percent.
- MSU’s Adverse Economic Circumstances Fund assists students whose families have suffered severe financial setbacks due to the economic downturn.

Bruce Haskell, Associate Director of Residential Dining, and Corporate Chef Kurt Kwiatkowski recently gave a presentation to students at Parkview elementary in Charlotte, MI. Bruce and Chef Kurt discussed healthy eating habits and even taught students how to make yogurt breakfast parfaits. Bruce said, “They loved it! So much so that for their Valentine’s Day party they want to make the parfaits for their healthy treat.” To read more about Mind, Body, and Spirit Day at Parkview Elementary, click here.

Hand Washing
Practicing proper hand hygiene has never been more crucial than it is right now. It is important that as an organization we take necessary cleaning techniques and precautions. There’s no substitute for good old soap and water, but we want to make sure that everyone has hand sanitizer at their desk. If you’re out let one of the front desk girls or Mel P know!
