In what ways is keeping your personal expenses in check like keeping work expenses in check?

- What practices can you take from your personal life and transfer over into your work life in regards to fiscal responsibility?
- What practices would be a bad idea to take from your personal life and transfer over to your work life in regards to fiscal responsibility? (i.e. impulse buy mentality)

Happy Birthday

Ryan Finn!

Don’t forget to watch the Men’s Basketball team take on Purdue tomorrow night at 7 pm!

Gateway to Infinity

Take a tour of the universe, beginning on the Earth, heading out into the solar system, and then into the Milky Way galaxy and beyond. Along the way we visit an assortment of astronomical objects: a nebula, a globular cluster, and a supernova, among others. James Earl Jones provides the narration for this celestial voyage.
