DE-CLUTTER YOUR COMPUTER

Today is National Clean out your computer day! What better excuse to get rid of all those files clogging up your system? We always spring clean our homes, but what about winter cleaning for our electronics?

WEEKLY LINEUP TOPIC

Our Values: COMMUNICATING WITH THE CONTROLLER

The controller is a behavior type that talks quick, walks quick and makes decisions even quicker. We know that the controller may be bossy at times, but we must remember that there is always a better way to communicate with these types of behaviors. For more reading on this week’s lineup topic, here is this latest issue of DOSE Weekly!

MUNN ICE SKATING

Give yourself something to look forward to at lunch with public skating at Munn Ice Area, Monday through Thursday from 12:30 to 2:00pm. Its $5 for admission for MSU faculty with ID and $2 for skate rental. If you have any questions or hesitations, feel free to contact Mark Waters, a frequent Munn skater!

FAMILY HISTORY

The I Heart Genealogy Session will take place on Wednesday from 11:30 to 1:00 in the IS Training Room 115. If you are not familiar with genealogy, send Larry, Angie or John your parents’ and grandparents names, birthdates (as far back as you know.) For the experienced genealogist, you may send in an ancestor name you are would like more information on, or even the entire family line you would like more information on!

VALENTINES DAY PLANS

The MSU Library wants to set you up this Valentine’s Day! Have a blind date with a book by checking out a gift wrapped book. After you read it you can let them know what you thought of it on their Facebook page. Pick up your book any time on Thursday, February 12th!
