RHS promotes social responsibility via the following sustainability initiatives: exploring options for composting in the dining services areas, participation in the Recyclemania competition, and continuing to emphasize recycling, energy reduction and water conservation.

Did you know?

Bailey Greenhouse harvests herbs to be served at Brody Square including basil, parsley, sage, and much more! The soil that they are all grown in is composted pre-consumer waste from Brody Square! Click here for more information!

MLK Jr Day Celebrations At MSU

Keeping our land-grant traditions and core values of inclusion in mind, MSU’s 2013 celebration of Martin Luther King Jr.’s legacy will explore issues around social justice from domestic and global perspectives. Events include the annual commemorative march and community dinner. Classes may be cancelled, but the university has big plans! For a complete list of MLK Jr. Day events click here.
