**SUPER BOWL SUNDAY**

If we’re being honest most of us watch the super bowl less for the football and more for the good food and interesting ads. A story by MSU today explains what goes into big budget super bowl ads. Read more here

**RECYCLING TIP**

If you fill a bathtub fully it wastes 20 gallons of water. Instead try filling it halfway and save 10!

**WEEKLY LINEUP TOPIC**

Our Values: EFFECTIVE COMMUNICATION

Everything sends a message, not only the words we say and how we say them, but also the way we hold ourselves, our facial expressions, and more. Click the image below to watch a scene from Disney Pixar’s Wall-E, and see the power of nonverbal communication.
