An IS Customer Service Story

Recently, Dawn Bower from the RHS Planning & Projects Office needed help updating and re-naming their departmental Outlook group, as well as adding internal groups for their office. Daniel from the ARF Team took on this task and even met personally with Dawn to discuss the project. A big “thank you” goes out to Daniel for all of his time and hard work with this request.

July is National Picnic Month!

Picnics are a great time to enjoy food, family, friends, and fun! They are a classic summertime activity that can be held in your own backyard. When you are planning your next one, always remember to have plenty of water on hand for all your guests and extra sunscreen to avoid sunburn. For fun, grab a rope and try a classic game of tug of war. For food, fruits, salads, and grilled meats are great, but don’t be afraid to mix it up with something different, too!

What’s for Lunch?

Today is the last day of the Ag Expo at the grounds off of Mt. Hope Road by the Commuter Lot! Head on over for lunch and pick up some food from the Eat At State ON-THE-GO Food Truck while you are there. Today, their special is two ground beef tacos with shredded cheddar, salsa, and sour cream, served with a side of tortilla chips.
