Weekly Lineup Topic

Market Segmentation
RHS has recently undergone a large segmentation study where valuable information about students’ needs and behaviors was discovered. Click here to explore how creating personas may help our messaging in the field of higher education.

Building A Better Blueberry
As a sweet and nutritious fruit, blueberries are popular around the globe. Spartan researcher, Dr. James Hancock, has been working on blueberry breeding and creating new berry varieties to keep blueberries on tables around the world. Michigan has been the No. 1 state for blueberries for 70 years, and this success is partially due to Dr. Hancock’s work. Click here to read the full article and learn some blueberry facts.

Pump Testing
Fire Pump Testing will be conducted tomorrow, Wednesday the 30th, in the following halls: Mayo, Kellogg, Brody, Emmons, Holden, Case, Hubbard, Owen, Snyder/Phillips, Mason/Abbot and the MSU Union.
