**Teamwork and Inclusion: Ants & Teamwork**

“In an ant colony, there’s nobody in charge. There are no foremen, no managers.”

So how do ants make team decisions? Click here to find out!

**Happy Birthday!**

**Brittany Lopez!**

Thanks for everything you do here at IS! Have a wonderful birthday!

---

**Campus Drills**

Reminder: There will be safety inspections and emergency evacuation drills performed in Owen Hall today!

---

**Did You Know?**

In 1958, a high school history teacher in Lancaster, OH assigned his students to redesign the national flag to include new states Alaska and Hawaii. 17-year-old Robert Heft submitted his design and received a B-. Heft sent his flag to Washington for a “better grade” where it was selected by President Dwight D. Eisenhower as the nation’s new official flag. It was flown for the first time on July 4, 1960, and is still used today!

Heft was from Saginaw, MI!

---

**Michigan Fireworks Display**

If you’ll be in the Lansing area this holiday weekend, be sure to go downtown to the Adado Riverfront Park for the Lansing 2014 July 4th Celebration! Parade starts off at 11:00 am in downtown Lansing. Live music by the Lansing Concert Band starting at 8:00 pm, followed by the fireworks display!
