Increase research opportunities.

“In much of society, research means to investigate something you do not know or understand.”

--Neal Armstrong

MSU’s Energy and Automotive Research Laboratories is a 29,000 square foot facility researching the engines and alternative energy sources for the future!

Research at MSU

On this day in History...

Henry Ford was born! Today would have been his 150th birthday!

This year’s 12th annual One Book, One Community program showcases the novel “The Yellow Birds” by Kevin Powers. This 2012 National Book Award Finalist novel is told through the perspective of 21 year old Pvt. John Bartle whose platoon is fighting a battle to control an Iraq city.

One Book, One Community
