Share-a-Bike Program

East Lansing’s Share-a-Bike Program has been giving back to the community for four years by providing bikes to residents who are not able to afford them.

This program runs on Saturday mornings from 9-11am in trailers behind East Lansing’s Fire Station 1 on 1700 Abbott Road. Residents are granted one bike per year and must bring a letter from an employer or church stating their inability to afford one.

In the past two years, Share-a-Bike has given out more than 1,200 bikes and is always accepting donations! Visit their website at http://www.lmb.org/share-a-bike/ for a list of desired parts and their location to drop off a bike anytime!

Cherry Lane Apartments

Demolition of the Cherry Lane Apartments began earlier this week. The land resulting from this deconstruction will remain a green space for campus. The apartments were not aging well and would have cost more money to repair than they are worth.

Quick Fact!

July is national ice cream month because it is when the most ice cream is sold!

Easy Office Organizing Tips!

- Straighten up your desk at the end of the day, and especially the end of the week, so that you can start each morning with a clear desk.
- Color-coding your files makes it faster to find information.
- Do not over stuff folders. It may be time to toss some of the information in the folder.
