Enjoy this green edition of The Daily D.O.S.E. today in representation of the topic of the week: *I am MSU*. Not only should the color green remind us of our Spartan pride, but should also inspire us to Be Spartan Green through conserving energy, recycling, and helping the environment as much as possible on a daily basis.

**Traveling Green!**

Summer vacations are a good opportunity to take a break from work or school, but while you are relaxing, either near or far, consider using the following ideas to stay green!

- In a hotel, opt to not have your linen changed daily.
- Always turn off lights and electronics when they are not being used.
- Travel with others; try carpooling!
- Use public transportation, walk, or ride bikes to explore!
- Pack light!
