Each month, a featured food is chosen, which is used in a “Recipe for Health.” Within the month, a chef in one of MSU’s cafeterias will demonstrate how to make it and will let you sample the meal, as well!

**June Featured Food:**
Sugar Snap Peas are a cross between the Shelling Pea and the Snow Pea!

**Recipe for Health:**
Oven Roasted Sugar Snap Peas
[Click here for the recipe!]

**Green Tip of the Day!**
Recycling Plastics at MSU
No recycling symbol is required to be on a plastic in order to recycle it at MSU! All types of plastics are accepted at the Recycling Center!
