Be sure to mark your calendar for this weekly occurrence and start benefiting from eating locally and organic! These fruits and vegetables will not only taste delicious, but will provide less of an environmental impact! It’s a great way to be both healthy and Spartan Green!

The Student Organic Farm Stand began in 2005, six years after the project began! They are open every Thursday from the first week in April until the end of October during the hours of 11 am – 5:30 pm and are located in front of the MSU Auditorium on Farm Lane! During the Summer months, the items that will be in season and for sale include tomatoes, peppers, eggplant, sweet corn, green beans, and more!
