Case Dining Hall Receives Silver LEED
Congratulations to Case Dining Hall for achieving silver status under the US Green Building Council’s LEED, or Leadership in Energy & Environmental Design, is a green building certification program that recognizes best-in-class building strategies and practices worldwide, with the best designs that improve energy savings, water efficiency and CO2 emissions. Case Dining Hall is MSU’s eighth LEED facility so far.
Thanks to everyone from RHS and IPF who was involved in this university accomplishment!
