**Did you know?**

The MSU Surplus Store & Recycling Center will help achieve MSU’s clear goals to reduce energy use by 15%, reduce greenhouse gas emissions by 15%, and reduce landfill waste by 30% by 2015.

---

**Sleep 101**

Tonight @ 7 p.m., Gold A, 2nd floor, MSU Union

Having trouble sleeping? Are you always tired and groggy? Jennifer Grzegorek, Ph.D. of the MSU Counseling Center can help! Join us for a workshop to learn some tips and tricks for better sleep. FREE refreshments will be provided while supplies last!

---

**Making MSU HEADLINES!**

After 40 years of searching, MSU physicists have the elusive Higgs boson in their sights. The Higgs boson is a hypothetical particle thought responsible for giving mass to matter, a critical but still unproven component of the long-standing Standard Model of particle physics. To read more about the findings and Higgs boson CLICK HERE!

**Boldness by Design:**

**Our mission is to advance knowledge and transform lives by:**

- Providing outstanding graduate, undergraduate and professional education to promising, qualified students in order to prepare them to contribute fully to society as citizen leaders
- Conducting research of the highest caliber that seeks to answer questions and create solutions in order to expand human understanding and the well-being of all living things
- Undertaking outreach and engagement and economic development activities that are innovative, research-driven and lead to a better quality of life for individuals and communities
