GO GREEN NEXT TUESDAY
St. Patrick’s Day brings out the green in all of us! Whether you’re of Irish descent or not, you celebrate the day with green-colored clothing, food and decorations. But, have you ever thought about celebrating in eco-friendly green style?

There are so many things you can make and do to ensure a green holiday! Check out Pinterest for ideas, everything from recycled decorations to costumes!

HAPPY FRIDAY THE (2ND) 13TH OF 2015!
We’ve had two straight months of Friday the 13th, which is a phenomenon we won’t see again until 2026. What’s ever weirder? We have another one coming up in November! Read about the calendar pattern here.

Today has the paraskevidekatriaphobics (those who fear Friday the 13th) on the edge of their seats. Do you believe in the superstitious powers of today? Read these 33 Money Superstitions to Know on Friday the 13th. Not all superstitions are bad ones!
