Thanks to a $7 million commitment from the Timothy and Bernadette Marquez Foundation, MSU broke ground on the Bott Building for Nursing Education and Research in 2010. Their gift helped secure a $7.45 million grant from the National Institutes of Health’s National Center for Research Resources and inspired more than 1,000 other benefactors.

The three-story, 50,000 square-foot building named in honor of Bernadette’s parents, John and Anna Bott, will be a nucleus for the entire nursing community - students, faculty, staff, alumni, partners and stakeholders.
