**Good to Great**

Some Questions to Consider:
- Do you have any red-flag mechanisms in your life or organization? What ideas do you have for new one?
- On what core values and enduring purpose will we build our culture for 100 years?
- How can we better blend empirical creativity AND fanatic discipline, and thereby scale innovation?

**Landon Hall**

In May of 2013, Landon Hall began to undergo their first major renovations since they opened in 1947! Now, there is an official re-open date set for August 23, 2014! This includes their new dining hall, Heritage Commons at Landon. It will feature three venue stations that will serve a variety of entrée including international dishes, rotisserie meats, and vegetarian options! The dining area has been expanded to accommodate 350 guests in three different levels! The first level will have the food venues and seating, the second level will be a library theme with a 50 person reserve-able space called the ‘Ivy Room’, and the third floor upper level will have additional seating! Read more [here](#)!
