5 FACTS of EFFECTIVE COLLABORATION

"We could learn a lot from crayons: some are sharp, some are pretty, some are dull, while others are bright, some have weird names, but we have to learn to live in the same box."
- ANONYMOUS

"You might not choose all of your teammates if you were to have put together the team yourself, but that doesn't mean you don't have to work with them and try to get along. The workforce is a diverse place and the sooner you learn how to deal with diversity in a collaborative environment, the smoother the collaboration will work."

Did you know?
There has been a 100 approximate % of increase in total recycling in the U.S. during the past decade, but there still is 4.6 pounds of trash per person per day, which is the most in the world!
