**Weekly DOSE Topic:**

**TEAMWORK & INCLUSION**

“The strength of the team is each individual member. The strength of each member is the team.”

Phil Jackson

**WII BOWLING TEAMS**

If you missed the Wii Bowling meeting where teams were selected, you can view the bracket that is posted right next to the IS Resource Room! Each player is paired with their partner and who they will be playing in the first round. Good luck to all of you participating and we’ll have the showdown next Friday, March 14th! Let’s see those strikes!

**APPLE ANNOUNCES ‘CARPLAY’**

Available on select new cars in 2014, CarPlay is a smarter, safer way to use your iPhone in the car. Carplay takes the things you want to do with your iPhone while driving and puts them right on your car’s built-in display. Directions, calls, sending/receiving messages, and music will all be available to you through this app. Controlled by a word (through Siri), touch or twist. A hefty price will have to be paid if you want this in your car...Ferrari, Jaguar & Mercedes Benz are some of the first companies that are going to feature CarPlay. If anyone’s in the market for a new pricey vehicle, you can look forward to this new feature from Apple!

---

**Fun Fact Friday!**

Google uses an estimated 15 billion kWh of electricity per year, more than most countries! However, Google generates a lot of their own power with their solar panels.

**Men’s Basketball vs. OSU**

This Sunday, March 9th, the Men’s Basketball team takes on Ohio State in Columbus, Ohio at 4:30 p.m. The game will be featured on CBS and can be found on the radio station Spartan Sports Network. This game is crucial to the team’s confidence heading into the March Madness tournament. In order to turn things around the team really needs to make some headway and rebuild their communication/teamwork in these next few games. GO GREEN GO WHITE BEAT OSU!
