MSU has improved the efficiency of its operations, reducing its annual expenditures more than $100 million over the last nine years.

Over the long-term, Physical Plant innovations have resulted in annual savings of approximately $19 million.

The majority of MSU’s General Fund expenditures - more than 71% - support academic activities.

Many Kudos at Wednesday’s All Staff Meeting

- Paul G. to Stephanie for doing a great job adding Spartan Cash to students for surveys he did.
- Olga to Stephanie to thank her for the recognition and everyone else who did.
- Denise to Paul G. for finding the GPAs that REHS needed.
- Melanie M. to Victor to thank him for bringing other teams to their meetings. It leads to collaboration!
- Mike to John and Jawed for helping him in a time of need and Victor for handling RMS being down.

Way to go everyone!

Happy Work Anniversary, Matt Edgley!

Matt’s work anniversary is this Sunday, May 12th! Thank you for all of your hard work and commitment!

We are in the process of updating our birthday and work anniversary list! Please be sure to follow this link to fill in your birthday (if you would like it included in our list) and to verify or correct the work anniversary date we have for you! Students, please do the same for your birthday at this link!

Thank you!
