DOSE Principle of the Week:
Teamwork and Inclusion
An RHS Value
“We will succeed individually only when we are passionate about prospering as a team.”

Odyssey of the Mind:
On Campus this Week
The 34th Annual Odyssey of the Mind World Finals will be on campus this week! It is the 4th time MSU will be hosting this competition!
About 7,000 guests will be staying at residence halls and 7,000 more will be staying in surrounding hotels!
The MSU Dairy Store has even created a new ice cream flavor for this awesome event. It is called “Odyssey’s Brain Freeze” and features a vanilla base with chocolate covered pretzel balls and a sea salt caramel swirl!

Check out this map to see what buildings are being used for the events!
The MSU community is encouraged to check out the competitions! Take a look at the Odyssey of the Mind website for more information!

Summer Energy Conservation
Quick Tip of the Day!
Turn lights off when you are the last one to leave a room!
Use daylight when you can and keep your lights off if they are not needed! This will help keep your workspace cooler, as well!

If you have any items that you want included on the all staff meeting agenda, contact our new communications student, Tammy!
