OUR VALUES: STRATEGIC THINKING
A strategy takes action and is designed to achieve an overall aim. One of the most important parts of strategic thinking is being able to see the big picture. These five tips will make sure you do just that.

NATIONAL BIKE MONTH
May is National Bike Month and MSU is celebrating with multiple campus events. There are so many environmental benefits to biking, and it is one of the most efficient, reliable ways to travel around campus. During Bike Month Faculty Staff and Students are encouraged to leave cars at home and bring out the bikes.

Upcoming Events:
Inaugural Tour de MSU
May 13 | 1:30pm
A fun slow paced social ride around campus

National Bike to work day
