The Clean Plates at State food waste program helps put environmental sustainability into perspective for campus dining hall guests. The program’s goal is to reduce the amount of food waste on campus through education and a recurring food waste audit called “What’s on your plate?”

Here are some tips to reduce food waste:

- Check the dining hall menu online before arriving.
- Take smaller portions and go back for seconds.
- Go tray less as an option once per week.

The 49th Annual MSU Holiday Arts and Crafts show is quickly approaching! The show runs Saturday, December 1st from 9-5 and Sunday December 2nd from 10-4. The show brings more than 190 different booths and could not run smoothly without your help. To volunteer, please contact Stephanie Strawska at strawska@msu.edu if you would like to sign up.
