The Help Tackle Hunger Food Drive continues through this week! Be sure to drop off your donation in the kitchen!

The average aluminum can in North America contains 68% recycled content!

Products such as structural sections and bridge spans use virtually 100% recycled steel!

Safe Place Adopt a Family is still going on! We still have some items that may be picked up for a gift. If you don’t have time to shop because of the holidays and still want to help, you give money to Denise; she will be pooling to get a larger item.

You can bring the gifts wrapped or unwrapped to the front desk with the snowflake attached! The deadline for our gifts is Friday, December 13th.

The Nutcracker at the Wharton Center
The Children’s Ballet Theatre of Michigan will be performing The Nutcracker, this weekend at the Wharton center, November 29th through December 1st! Tickets are on sale now, MSU students use your PID and get discounted tickets here!
