**Name Your Car Day**

Here are some tips for selecting an appropriate name for your car:

- Don't select wimpy names.
- Do give strong, aggressive names to sports cars and cars with powerful engines.
- Old junkers are proud just to be around - you can call them just about anything.
- Pick names to reflect your personality.
- Pick-up trucks must have country names.
- Don't give common names (like Joe or Sue) to luxury cars. They beam over names like Reginald, Archibald, and Crystal.
