“Innovation distinguishes between a leader and a follower.”
-Steve Jobs

How can you be innovative in today’s world?

MSU Community ReUseDays

Take some time this weekend and gather together some of your unwanted household items!

The MSU Surplus Store will be collecting a wide variety of materials to be re-used or recycled on Saturday, October 5, from 9 a.m. – 2 p.m. and Monday, October 7 – Friday, October 11 from 7 a.m. – 3 p.m.

They will be accepting e-waste, sporting goods, books, kitchen items, Styrofoam, and more!

For a full list of items and more information, click here!

Gwen’s Bagels for Breast Cancer Awareness

Gwen’s bagels are available for the 5th consecutive year throughout the month of October from the MSU Bakers! Baked fresh daily, these bagels are pink with dried cranberries and are formed into the shape of the breast cancer awareness ribbon.

You can order a half of a dozen bagels for $6.50 and $1 from every order will go to the American Cancer Society.

You can also make donations to the American Cancer society on the MSU Baker’s website.

Make sure to tune in to ESPN2 this Saturday at 12pm to watch our Spartans take on the Iowa State Hawkeyes!
