D.O.S.E. Principle of the Week:
Family Resource Center

“Michigan State University – Family Resource Center is committed to policies, practices and programs supportive of the members of its diverse community as they balance their responsibilities of work and family. The FRC encourages at all levels, an environment which is supportive of and sensitive to the needs and mutual dependence of the workplace and working families.”

Find the Flag!

Each day during homecoming week, the Student Alumni Foundation will be hiding two flags on campus. Clues to finding the flags are posted on SAF’s Facebook. Find the flag, return them to the union office, and win amazing prizes!

Hayrides & History

Kick off homecoming week with a classic event! Enjoy refreshments while learning all about MSU’s rich history. Anyone is welcome and it’s free! Hayrides and History begins at 6:30 PM in the International Center Parking Lot.

Conserving Water

Water conservation mirror clings, which adhere to each resident hall bathroom mirror, remind students to use sustainable practices. The mirror clings are the brain child of Steven Brickel, who came up with the idea in his Introduction to Sustainability class.
