Try Celebrating these Fun Holidays this Weekend!
- Saturday: Oatmeal Day
  Make oatmeal for breakfast! Add something different to it, like strawberries or blueberries!
- Sunday: Newspaper Carrier Day
  Leave at treat for yours or simply wave, smile, and wish them a good day!

Today is Sewing Machine Day!
- The first sewing machine was invented in 1790
- By the year 1926, the American patent office had over 150,000 different models of patents
- Today’s sewing machines have advanced far from their early years and can store patterns and even talk!
